Dear Principal Secretary,

You are aware that the Guidelines for the District/City Level Vigilance & Monitoring Committees (DLVMC) of National Health Mission has been recently revised to involve key stakeholders of urban segment of the Mission. The same was disseminated to the States/UTs vide this Ministry's letter of even no. dated the 24th June, 2014 (Copy enclosed for ready reference).

2. I need not emphasize the critical importance of the D/CLVMCs in oversight and ensuring effective implementation of NHM. I hope that DLVMCs have been reconstituted as per the revised Guidelines. The Guidelines stipulate that meetings are to be held at least once a quarter and the proceedings of the meetings are not only to be placed in public domain but are also required to be sent to the State/UT Government and GOI as per the slated schedule. I may inform you that none of the States/UTs have sent report on reconstitution of the D/CLVMC nor have the States/UTs sent record of proceedings of the first quarter which was due on 31st July, 2014.

3. I earnestly request you to personally ensure that the D/CLVMCs are reconstituted immediately and meetings are scheduled at the earliest thereafter. I look forward to receiving a positive reply latest in a fortnight.

With Regards.

Yours Sincerely

GUIDELINES FOR DISTRICT/CITY LEVEL VIGILANCE & MONITORING COMMITTEES OF NATIONAL HEALTH MISSION

GOVERNMENT OF INDIA

MINISTRY OF HEALTH & FAMILY WELFARE

JUNE 2014

DISTRICT/CITY LEVEL VIGILANCE & MONITORING COMMITTEES

1. Brief:

In order to address the health care needs of the people of the country, National Health Mission (NHM) was approved by the Government of India. National Health Mission (NHM) encompasses the two sub-missions of National Rural Health Mission (NRHM) and National Urban Health Mission (NUHM). NHM is both flexible and dynamic and is intended to guide City/District/States towards ensuring the achievement of universal access to health care through strengthening of health systems, institutions & capabilities.

National Health Mission (NHM) envisages a robust mechanism for monitoring. Emphasis has been placed on the community monitoring of NHM activities. The Members of Parliament have also been associated with District Health Society (DHS) and Rogi Kalyan Samiti (RKS) concerned with planning, implementation, monitoring and evaluation of the programme.
