To,

Civil Surgeon cum Member Secretary,
District Health Society, Bihar.

Sub: Participation of all district hospitals laboratories for External Quality Assurance Programme (EQAP) under Quality Assurance Programme.

Dear All,

External Quality Assurance Programme (EQAP) is a system for objectively checking the laboratory's performance using external agency or facility. Primary intension is to support Quality Improvement of the services provided by the laboratory for benefits of the patients.

We have identified AIIMS, New Delhi as external agency/facility for the External Quality Assurance Programme (EQAP). All district hospital laboratories have to participate in External Quality Assurance Programme (EQAP) under Quality Assurance (QA) Programme for year 2016. Information of the Programme attached with this letter (Registration, Process, Fees and Contact details).

District Hospital Managers are responsible to get registration of Laboratories till 15th December 2015 for the year 2016. Microbiologist/Pathologist/Lab Technician shall take proactive involvement in EQAP and District Hospital Managers shall coordinate Programme.

Details of registration process share with Regional Programme Monitoring Unit and State Programme Officer till end of December 2015.

Thanks and Regards.
