Letter No. : SHSB/Admin./116/2006/X/.....6663.....

To,
All Divisional Commissioners,
All RDDs

Date: 13.08.2012

Subject: Ranking of the divisions based on some selected performance indicators.

Sir,

Enclosed please find a table showing division wise ranking of all the divisions for the month of June, 2012. The ranking of the divisions/districts has been done on the basis of the health indicators as mentioned in this office letter no. 4272 dated 18.05.2012. It may please be noted that there is still a wide gap in all major health indicators of high and low ranking districts.

You are requested to have a look at the performance of your division and comprising districts in all the major health indicators and initiate steps to bring the performance of your division at par with the best performing division.

It may be observed that while the divisions of Purnea, Munger and Darbhanga have slipped in ranking, the divisions of Magadh, Saran and Tirhut have improved their rank as compared to the last ranking exercise. It would indeed be beneficial if you conduct reviews regularly at your level.

Enclosures:-

1. Detailed Divisional & District ranking sheet.
