Patna, dated

Sub: Tender for Rate Contracting of ARV.

Sir,

During the technical analysis of your technical bid documents it has been found by the members of the Core Committee, that following requisite documents have not been submitted by you with your technical bid .

- Income Tax Return Report for the Assessment Year 2009-10.
- You have submitted an affidavit with your technical bid stating that "The Human Biological Institute is a manufacturing division of IIL, established for manufacture of Human Vaccines and does not carry any separate and independent legal identity hence all legal and financial transactions of HBI can only be in the name of IIL". But it has been found that M/s Human Biological Institute has filed tenders for ARV in their own independent capacity also, in the State of Karnataka and they are also receiving supply orders for ARV. This is in contrary with your above affidavit.

The Core Committee wants a clarification and supporting documents in this regard from you as well as from Human Biological Institute, Udhagamandalam.

All the above requisite documents must be submitted to SHSB **positively** by 7.12.2009, so that final decision on Technical bids for ARV could be taken by the Core Committee.

Yours faithfully

Sd/-

(Additional Executive Director)

Memo No.: 13240 Patna, dated 27/11/2009

Copy forwarded to: M/s Human Biological Institute, Kozhipannai, Pudumund Post, Dr. Basavaiah Nagar, Udhagamandalam-643007 for information and for clarifying the matter regarding affidavit given by IIL stating that "The Human Biological Institute is a manufacturing division of IIL, established for manufacture of Human Vaccines and does not carry any separate and independent legal identity hence all legal and financial transactions of HBI can only be in the name of IIL", in view of the fact that in the State of Karnataka HBI has participated in the tender process as an independent, separate unit and are receiving supply orders from Karnataka State Drugs Logistics Warehousing Society, Bangalore on regular basis for the supply of ARV. The required clarification must be submitted to SHSB by 7.12.2009, so that final decision on Technical bids for ARV could be taken by the Core Committee.

Letter No. 13242

From,

Additional Executive Director
State Health Society, Bihar, Patna

To,

The Director
Drugs Control Administration
Government of A.P. Hyderabad

Patna, dated 27.11.11

Sub: Issue of Market Standing certificate dated 13.11.09 to BBIL with regard to the Manufacturing & Marketing of ARV.

Sir,

During the Course of technical evaluation and analysis of the tender documents of M/s Bharat Biotech International Ltd. Hyderabad it has been found by the technical Core Committee that Bharat Biotech International Ltd. Hyderabad has been granted manufacturing license in form 28 D to manufacture ARV as an additional product on 12.10.06, which was duly approved by the Central License approving authority on 14.12.06. The Central Licensing Approving Authority has approved the said license on 14.12.06, So Market Standing can not be three years before 14.12.06. But your office has issued a Market Standing Certificate to Bharat Biotech International Ltd. Hyderabad on 13.11.09 certifying that ARV is being manufactured and marketed by Bharat Biotech International Ltd. Hyderabad for more than past three years. The members of Core Committee are of the view that both documents are in contrary of each other.

- Therefore, I will request you to kindly help us in this regard with your valuable comments on above.

Thanking you.

Yours faithfully
