Letter No.....dt...../04/2016

To,
Civil Surgeon -cum- Member Secretary,
District Health Society, Nalanda & Gaya.

Sub: Regarding baseline assessment of Urban Primary Health Centres (UPHCs).

Dear Sir,

National Urban Health Mission (NUHM) was launched as a separate mission in year 2013 with objective of improving health status of the urban poor particularly slum dwellers and other marginalized sections. Urban Primary Health Centres (UPHCs) are different from conventional rural PHCs in terms of size, functions, focus on ambulatory care, limited staff and infrastructure. UPHC is also expected to deliver certain job functions of sub-centre through its outreach services.

Government of India has developed a separate list of standards for Urban Primary Health Centres for their quality assurance. In Bihar 81 UPHCs have been started till date. It is appropriate to do a baseline assessment of functional UPHCs as directed by GOI with the help of the checklist developed by them.

Baseline assessment will be done by the Quality Assurance team of SHSB. Quality assurance team has decided assessment of UPHCs of Gaya and Nalanda district in this month. Therefore you are requested to kindly co-operate them for the visits and provide them all the necessary details and assistance.

Gaya	18 th April - 25 th April
Nalanda	27 th April - 5 th May

Sincerely,
Sd/-
